DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 31, 37 and 51 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 31, 37 and 51 recites "said utility account" in line 13. It is not clear whose utility account this refers to. Is it the payer's or payee's or both. Appropriate clarification is required.

Also, line 3 of claim 31 (line 4 of claim 37) recites "utility accounts having account identifiers".

It is not clear what this refers to. Is it plurality of utility accounts by the payer or plurality of utility accounts by payee or plurality of utility accounts by both payer and payee. Appropriate clarification is required.

Claims 32-36, 38-42 and 50-56 are rejected as being dependent on claims 31, 37 and 51.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Hale et al (USPN 4689478) teaches a system for handling variety of financial, shopping and other transactions (see abstract, fig. 27 (RN 28-6), col. 14, lines 10-31).

Lawlor et al (USPN 5220501) teaches remote delivery of retail banking services (see figs. 14A-14C, abstract, col. 42, line 60 through col. 43, line 25).

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
